ALL OHIO SOUTH TOURNAMENT REFEREE ASSIGNORS**

The United States Soccer Federation (USSF) has a mandatory policy that only certified and registered Referee Assignors may appoint or assign referees to USSF competitive matches. This applies to both USSF league play (Amateur and Youth Select) and all USSF tournaments.

The Ohio South State Referee Committee (OSSRC) has scheduled the 2007 Assignor Training Clinic to certify and register USSF Referee Assignors. The clinic will be held at the Ball Corporation office, 2875 Presidential Drive in Fairborn, Ohio on Saturday, February 24, 2007. This is the only Assignor course to be scheduled for this year, so those of you that need to become certified should plan to attend this session.

Please pass this information on to others that you feel may need to be in attendance at this clinic session. Presently certified/registered USSF Assignors need NOT attend.

Attendees need to pre-register by mail, in order to guarantee a space in the clinic. Registrations will be accepted at the door, provided space is available, with pre-registered attendees being accommodated first. The registration deadline is February 19, 2007. The course fee is \$35 and a one-year USSF registration fee is an additional \$15 for a total of \$50. Checks should be made payable to "OSSRC". Please fill out the information below and mail with your \$50.00 check to:

Charlie Keaney  
9164 Cherry Blossom Ln.  
Cincinnati, OH 45231

This clinic will begin at 8:30am and end about 5:30pm with an hour for lunch. Dress is casual. Please bring a pencil or pen and a notebook.
